EDUCATION & TRAINING

BACHELOR OF COMPUTER SCIENCE & TECHNOLOGY, 2006

Front End Web Developer & UX/ UI Designer

I like to code because is the most amazing career in the world. Furthermore, I also like UX Design, because it is important to develop for the target audience, feel what they feel, and know that you are making someone's life easier. Conducting research, knowing the users' needs and developing a website is the most interesting job in the world.

EXPERIENCE

WEB DEVELOPER | APR 2018 – PRESENT ACHIEVERS ACADEMY

- Assist in the design, coding, and testing of technical solutions across marketplace product.
- Apply knowledge of industry trends and developments to improve service to our users.
